

CALL FOR JUSTICE FOR WARBURTON ELDER Urgent Public Meeting

5.45pm Wednesday 13th February 2008

The Deaths in Custody Watch Committee of WA
urges you to attend a public meeting

The purpose of this meeting is:

- To provide information to members of the public and organisations concerned about the death in custody on 29th January 2008 of former Warburton Aboriginal Chairman, father of five and one of the last nomads born in the Gibson Desert, while being transported to Kalgoorlie by a private contract company (GSL);
- To establish an Action Group to campaign for *an immediate end to using unsafe vehicles owned by the government, an independent public inquiry and, termination of the contract with Global Solutions Ltd;*
- Send a clear and strong message to the government that preventing and appropriately responding to deaths in custody is their responsibility;
- To call for the elimination of racism in the Justice system.

We need the support of people with a passion for justice. Please consider attending this urgent public meeting to offer your support, voices, knowledge and skills in organising this campaign for Justice.

WHEN: Wednesday 13th February 2008
5.45pm – 7.30pm

WHERE: Derbarl Yerrigan Health Services
